Educational and Research Resume(2026)

Current Position

*Associate Professor of Restorative Dentistry, Ilam
University of Medicine Sciences.*

Education

Grade	University	Year
DDS	Isfahan University of Medical Sciences	2001-2007
Specialist In Restorative Dentistry	Isfahan University of Medical Sciences	2008-2011

ADDITIONAL SKILLS

- Designing a Beautiful Smile with Biomimetic Methods.
- Treatment of all-ceramic Implant-supported Esthetic Restorations.
- Restorative Treatments.
- Treatment of all-ceramic esthetic prostheses in the anterior region of the jaw.
- Treatment of Anterior A ceramic Implants.
- Direct composite veneer placement in anterior teeth.
- Restoration of Endodontically Treated Teeth Using Fiber Post and Composite Systems.
- General Dentistry Treatments (Endodontic, Surgery, Pediatric Dentistry).

Research Interests

- Dental Materials
- Dental Caries
- Dental Implants
- Preventive Treatments
- Biomimetic Materials
- Oral Microbiology
- Mechanical Properties of Novel Dental Materials

Professional and Executive Experiences

- *Faculty Member at Ilam University of Medical Sciences since 2010.*
- *Director of the Special Dental Clinic (2013–2016).*
- *Vice Dean for Education, Faculty of Dentistry, since 2019-2020*
- *Head of the Restorative Dentistry Department, Faculty of Dentistry (2012–2016 and 2019–2022).*
- *Dean of the Faculty of Dentistry, Ilam University of Medical Sciences, since 2022 to Present.*
- **Member** of the Accreditation Team for Dental Schools in Iran.
- *Member of the Iranian Society of Restorative and Cosmetic Dentistry.*

- Teaching **Restorative Dentistry** 1, 2, 3(Practical)
- Teaching **Principles of Restorative** Dentistry (Theoretical)
- Teaching **Dental Materials** (Theoretical and Practical)
- Teaching **Dental Morphology** (Theoretical and Practical)
- Teaching **Geriatrics**
- Teaching **Oral and Dental Pathology**
- Teaching **Oral Health and Community**
- Teaching **Infection Control**
- Teaching **Comprehensive Dental Treatment** 1 and 2
- Teaching **Advanced prosthesis(practical)**
- Clinical communication skills training
- Teaching **Oral Health and Social Dentistry** (Theoretical and Practical)

Teachings Experiences

Research Articles

9. **Investigating the Effect of Educational Intervention on Oral Health Literacy in Adults** – Fahimeh Feili, Mohamadali Roozegar. *J. Chem. B: Nat. Prod. Med. Chem* (2025).
10. **Investigating the Prevalence and Factors Related to Temporomandibular Disorders in Patients with Multiple Sclerosis** – Fahimeh Feili, Mohamadali Roozegar. *J. Chem. B: Nat. Prod. Med. Chem* (2025).
11. **Knowledge and Attitudes of Dentists Regarding the Etiology and Management of Non-Carious Cervical Lesions in teeth** – Fahimeh Feili, H. Seidkhani, MH. Mahdavi. *Journal of Dental School, Shahid Beheshti University of Medical Sciences* (2025).
12. **Knowledge of Iranian Dentists Regarding Oral Cancer: A Systematic Review and Meta-Analysis** – Fahimeh Feili, Mohamadali Roozegar. *J. Chem. B: Nat. Prod. Med. Chem* (2025).
13. **Prevalence and Risk Factors of Dental Trauma in Pediatrics and Adolescents: A Retrospective Study in Ilam, Iran** – Fahimeh Feili,

Mohamadali Roozegar, A. Vasigh. *Bulletin of Emergency & Trauma* (2025).

14. **Prevalence and Risk factors associated with Maxillofacial trauma in Ilam** – Fahimeh Feili, Mohamadali Roozegar, A. Vasigh. *Bulletin of Emergency and Trauma* (2025).
15. **Prevalence of Back and Neck Pain in Iranian Dentists: A Systematic Review and Meta-Analysis** – Fahimeh Feili, A. Vasigh, Mohamadali Roozegar. *Archives of Neuroscience* (2025).
16. **Prevalence of Odontogenic Tumors and Cysts in Iran: A Systematic Review and Meta-analysis** – Fahimeh Feili, Mohamadali Roozegar. *International Journal of Cancer Management* (2025).
17. **Health Literacy and Knowledge of Oral Cancer: A Systematic Review and Meta-Analysis in the Iranian Population** – Fahimeh Feili, Mohamadali Roozegar. *Journal of Angiotherapy* (2024).
18. **Investigating the Causes of Failure in Posterior Amalgam and Composite Restorations: A Cross-Sectional Study** – Fahimeh Feili, A. Nazifi, H. Seidkhani, E. Shafiei. *Journal of Basic Research in Medical Sciences* (2024).
19. **Prevalence and Impact of Work-Related Musculoskeletal Disorders Among Dental Students in Iran: A Systematic Review and Meta-Analysis** – Fahimeh Feili, Mohamadali Roozegar, A. Vasigh (2024).
20. **Relationship between Serum Lactate with the Severity of Injury in Patients with Spinal Cord Trauma** – K. Komlakh, YA. Jamshidi, R. Rajabi, S. Sadeghi, A. Keipourfard, Fahimeh Feili. *Archives of Anesthesia and Critical Care* (2024).

1. **Histologic** evaluation of dental pulp of primary and permanent dog teeth. **2007**
2. **Evaluation of** color matching and adaptation of abutment supported crowns y **2011**.
3. **Evaluation and Comparison** of Different Post and Fiber-Reinforced Systems on the Fracture Strength of Endodontically Treated Teet
4. **Investigating** the antimicrobial and anti-biofilm effects of silver, zinc oxide, and hydroxyapatite nanoparticles on *Enterococcus faecalis* bacteria isolated from infected tooth root canals.
5. **Evaluation** of the **fracture strength** of direct composite build-ups reinforced with fiber in endodontic ally treated anterior teeth.
6. **Prevalence of Helicobacter pylori** in children with dental caries and determination of salivary oxidative stress levels in urban and

rural areas of Ilam.

7. **Evaluation of the Awareness and Attitude of Dentists in Ilam City Regarding the Causes and Treatment of Non-Carious Cervical Lesions**
8. **Assessment of the effect of saliva contamination** on tooth surfaces and curing timing following the application of fifth-generation bonding on the shear bond strength of orthodontic brackets.
9. **Investigation of the causes of failure** in posterior amalgam restorations (in vital and non-vital teeth) and posterior composite restorations in patients attending the Faculty of Dentistry, Ilam University, during the academic year 2022–2023.
10. **Assessment of the clinical diagnostic ability** of final-year dental students at Ilam University of Medical Sciences in detecting interproximal caries during the academic year 2022–2023.
11. **Comparative study on the effect of two finishing and polishing systems** (disc and solar mops) on the surface roughness of resin-based composites in an in vitro setting.
12. **Evaluation of stress and burnout** among Iranian dentists.
13. **The effect of training on the ability to determine composite shade** among dental students at the Faculty of Dentistry, Ilam University, in 2021.
14. **Clinical evaluation** of the success rate composite restorations with full cuspal coverage in endodontic ally treated posterior teeth. 2026
15. **Evaluation of the clinical success direct composite build-ups reinforced with fiber in anterior teeth.** 2025
16. **Evaluation of the effectiveness** dental education program from the perspective of students and graduates of Ilam Faculty of Dentistry. 2025
17. **Assessment of oral and dental health status and its association with general health status in patients with multiple sclerosis.** 2025
18. **Evaluation of the effect oral health educational intervention on the knowledge, attitude, and practice of teachers, parents, and students regarding oral health literacy.** 2025
19. **Investigation of the prevalence and factors associated with dental, maxillofacial, and jaw fractures in traumatic patients in Ilam city (2011–2024).**
20. **Design, development, and production of a mobile-based application for training dental students in the preparation of carious teeth.** 2025
21. **Clinical evaluation of FRC bridges in patients attending dental clinics in Ilam city over the past 10 years.** 2025
